

Pie Social and Variety Programme Enjoyed At Oddfellow's Hall

R. E. Fox Gives Address On His Work at Ontario School For Deaf, Belleville

On Wednesday evening of last week an enjoyable variety programme and pie social was held at the Oddfellows' Hall, Charlotte St. — Chief Patriarch of Stirling Encampment Clifford Heagle acted as chairman for the evening and welcomed the gathering.

Proceeds of the evening went towards the planned Memorial Plot at Stirling Cemetery.

Mr. and Mrs. Craig Watson led in a sing song of old favourites. Several readings were contributed by Mrs. Percy MacMullen. Ralph Jeffs introduced Frank Wilson and Ross Adams, of Coneseon, who delighted the audience with several vocal selections.

Presentation of 25-Year Jewel

During the programme, District Deputy Grand Master Wesley Farrell made the presentation of a 25-year veteran's Jewel to Don Heath, of Stirling Lodge No. 239.

R. E. Fox Gives Address

The highlight of the evening was an address by R. E. Fox, a Past Grand Master of the Order and now Supervisor of the Senior Boys' Residence at the Ontario School for the Deaf, Belleville.

Earl was introduced by Chas. Carter, a former District Deputy Grand Master.

Mr. Fox gave an outline of his duties at the school. He noted that there were over 520 students enrolled at the school, which required a staff of some 200 to take care of their needs. As well as academic classes, printing, baking, upholstery, wood work, and auto body mechanics are taught at the school.

The speaker told of some of his experiences at the school and how he enjoyed working with the boys. He introduced two senior students at the school, Bill Gregory, of Thessalon, and Clifford Carbin, of Espanola, who were receiving their education at the Belleville School. During his address, Mr. Fox had the boys demonstrate sign language and lip reading, which was very interesting to the audience.

Following the programme, sandwiches and pie were served in the dining hall.

Have You Helped Crippled Children?

Just a few years ago, about one-third of Ontario's crippled children were unable to take full advantage of the techniques developed for overcoming their handicaps. They were the children living outside the treatment centres and those in the rural and remote areas of the province. They needed residential care and the general hospitals were overcrowded. To meet the demands, an Ontario Crippled Children's Centre was established in Toronto.

Now, extremely difficult cases are referred to this centre from all parts of the province, where their problems will receive the attention of leading medical, dental and surgical specialists; where they will remain for long term treatment and observation. This Centre is really the rehabilitation headquarters for thousands of children.

During this appeal, the recognition and assistance that is given to the Easter Seal campaign of the Stirling Rotary Club guarantees that more crippled children will graduate to young adults and be able to take their places in the world.

Of the letters sent out only 25% have been returned. If you have not contributed, please do so this week by sending your contribution to Easter Seal Fund, c/o Mr. C. E. West, Box 117, Stirling, Ontario.

Glen Ross New Champions of Centre Hastings Hockey League

(by Bob Taylor)

Glen Ross has been noted for putting things off until the last minute and they pulled it off again before the largest crowd to witness a C.H.L. game this year at the local arena as they edged Wallbridge 4-2 in the fifth and deciding game of the Centre Hastings Hockey League finals to capture the League Championship and the beautiful new trophy that goes with it. Glen Ross will now advance to meet the winners of the Northumberland League yet to be decided between Brighton and Gosport.

Couch Scores Winner

Wallbridge drew first blood when Larry Marshall scored on Glen's rebound at 2:17 of the opening stanza. Paul Solmes and Ken McConnell scored fifty seconds apart late in the period to put Glen Ross into a 2-1 lead which stood up until the third period. Wallbridge missed on a series of golden opportunities when Marshall and McNaught both failed to beat Taylor from point blank range and when Barrie dumped McNaught when the Wallbridge forward broke into the clear. The second stanza was scoreless but the Elaines threatened to increase their margin, but Durgeon robbed Hearn and Solmes with a pair of dazzling saves.

Wallbridge, who finished in top spot during the regular season, came out flying in the third and knotted the count after only 42 seconds of play, with Marshall scoring with Dobson sitting out a cross-checking infraction. Glen Ross continued to fall into trouble with the officials and ran into a rash of penalties and at one point were two men short for a period of one minute and twenty-six seconds but a superb performance of penalty-killing by McConnell kept the score even. Marshall, Geen, McNaught, Miller and Evans literally used the Elaine goal for target practice and had the puck whizzing around but failed to accomplish anything more than hit the post.

Lyle Couch scored the winner at the 17:11 mark on a beautiful solo effort and McConnell saluted it away at 19:40 with Marshall in the sin-bin for tripping. Willy Dudgeon, Wallbridge defenceman was taken to hospital after being checked heavily at the Elaine blueline, suffering from a possible concussion.

C.H.L. President R. Kellar, of Frankford, presented the championship trophy to Glen Ross team captain Bobby Hearn at the conclusion of the game.

Lineups: Wallbridge — J. Dudgeon, P. McNaught, M. Bradshaw, W. Dudgeon, L. Marshall, A. Johnston, J. Miller, D. Gould, P. Evans, B. Dafeo, J. Fair, R. Geen, E. Reid, coach, A. McNaught, manager, D. Geen.

Glen Ross — B. Taylor, T. Dobson, B. Hearn, D. Pettit, F. McAdam, K. McConnell, P. Solmes, L. Couch, D. Armstrong, G. Sayers, G. Barrie, F. Keating, D. Keating, W. Fraser, J. Fraser, K. Grills, G. Richardson, coach, T. Dobson; manager, F. Keating.

New Local Telephone Manager

R. W. Carleton, Bell Telephone manager for the newly designated Frankford-Pictou region, has assumed responsibility for the management of Stirling, Frankford and Wooler, replacing C. H. Buckley of the Belleville office.

The reorganization, effective April 1, 1966, recognizes the growing importance of these three communities and is designed to provide more personalized service to the telephone subscribers in those districts.

Customers in Stirling, Frankford and Wooler will still be able to use Zenith 60000 for all business office inquiries.

Mr. Carleton has been with Bell since 1941, except for a period during the Second World War when he served with the Canadian armed forces. On his return to civilian life, he rejoined the Company in the Plant Department in Pictou. He has since worked in Madoc, Kingston, Montreal and, for two years, in Belleville.

Active in community work, Mr. Carleton is past president of the Belleville-Quinte Kiwanis Club and presently Chairman of Trenton Centennial Program Committee, in Trenton.

Mrs. H. West Was Hostess — Mrs. Percy MacMullen Gave History of St. Patrick

The Stirling Horticultural Society held a very enjoyable meeting on Monday, March 21st, at the home of Mrs. Harold West, Front St., Stirling. Twenty-seven members were present.

The President led in prayer. It was brought to the members' attention that the Stirling Society will celebrate its 70th anniversary in Canada's Centennial year. The Newmarket Society is celebrating their 40th anniversary this year and were sent congratulations.

The following members attended a workshop at Brighton on March 24th: Mrs. Floyd Armstrong, Mrs. P. Craighead, Mrs. R. Warner and Mrs. R. Rose.

Mention was made of a portable library that can be taken along to meetings for the benefit of members. More will be heard about this later. Among Centennial flowers mentioned were: the Cosmos (3-ft. tall), the Royalty and Almey Crabs, and the two Centennial Roses, "Centennial Rose" and "Miss Canada", the latter being an offspring of Karl Herbst and Peace roses, and it is truly a lovely rose.

The Society would like to place two Crab trees in the Centotaph Park, either Royalty or Almey, to commemorate Centennial Year; also one or two shade trees in the Recreation Park.

Annual Flower Show

The Annual Flower Show will be on June 16th, in the evening only this year. The next monthly meeting will be on April 18th, in St. John's Church Hall, at 8 p.m. and Mrs. I. Caldwell will show movies.

It was agreed to place lilies in nine churches, in and around Stirling, again this Easter.

Programme

The programme followed, with a reading by Mrs. F. Armstrong, "Winter's Grip". Mrs. P. MacMullen gave the history of St. Patrick of Ireland, and a recitation about the Blarney Stone, both of which were very interesting. Mrs. R. Warner read a question and answer article on Gardening, followed by an account of the strange summer of 1886, nicknamed "Snow in June" or "No Summer That Year". Crops were sparse and the people were on rations for the rest of that year and the first six months of the next, with flour priced at \$70 a barrel. The worst-hit provinces were Ontario and Quebec. Miss Gena Spry conducted two contests, "Find the Names of Irish Towns" and "Irish Conundrums". Mrs. P. Bronson conducted contests, won by Mrs. D. Montgomery, Mrs. F. Armstrong, Mrs. R. Warner and Mrs. N. Flindall. Mrs. A. MacConnell very thoughtfully brought along some white and bronze mums and each lady or gentleman was presented with one on arrival.

Mrs. Chas. Vance moved a vote of thanks to Mrs. H. West, the hostess for the afternoon, and to the lunch and programme committees for a very enjoyable meeting.

Elementary School Units For Hastings Are Suggested

Elementary and secondary school educational problems, as related to larger areas of schools administration, were the topic of heated discussion at Hastings county council on Thursday.

After hearing the report of the public school consultative committee, which recommended larger public school areas and suggested high schools at Stirling, Marmora and Tweed should be closed, members took up the remainder of the afternoon in some times hot debate.

Then, with tempers of several councillors continuing to boil, the whole matter was laid over until the June session.

Stirling Reeve Donald Rodgers, chairman of the public school consultative committee, told council that a directive from Hon. William Davis, minister of education, entrusted his committee to study all aspects of education within the county, particularly in regard to geographic lines, highways, location of secondary schools and existing public schools,

distribution and growth and likely shifts of school population.

See Three Units

In the opinion of the committee Hastings county was too large for one elementary school county unit but should lend itself to the development of three areas of administration.

Those might be the three southern townships, Sidney, Thurlow and Tweed, with about 3,000 pupils as one unit; the central six townships with about 2,800 elementary pupils and North Hastings, with about 2,000 pupils.

Mr. Rodgers said it was expected that at least two or three years would elapse before many of the committee recommendations could be carried out.

Urge Caution

The public schools consultative committee is urging a "go slow" approach to the central school idea for townships where school enrollment is below 300.

They feel there is little point in building a central township school which could have vacant rooms before five years' time.

However, in an area only large enough for one composite secondary school there are no less than four such seats of learning — at Madoc, Tweed, Marmora and Stirling.

Mr. Rodgers said the committee had explored the possibilities from all angles and only one proposal seemed realistic. This was for secondary school education in Stirling, Marmora and Tweed to be terminated and a more ideal composite school education offered in Madoc.

Oppose Closing

But it was the consultative committee reference to the possible closing of high schools at Stirling, Tweed and Marmora which prompted the

heated discussion in council.

Rawdon Reeve Fred Beckett said he wanted no part of closing the Stirling high school, while the same attitude was taken by Marmora Village Reeve William Shannon, and Marmora Township Reeve John Wilkes, for the Marmora high school.

Tweed Reeve Guy Hughes and Hungerford Township representatives, R. C. Graham and William McCrea, said they wanted nothing more than their high school at Tweed to be left alone.

Reeve Beckett said that five years ago the department urged the building of a new high school addition at Stirling.

"Now it appears they are advising us to close the school. What are they going to tell us next?" he asked.

Then, some years ago, Rawdon was allowed to withdraw from the Centre Hastings Area and join with Stirling, and about three years ago Tweed and Hungerford were also allowed to withdraw to form the Tweed-Hungerford Area.

Says Something Wrong

Reeve Wilkes went so far as to say that "there was something wrong" with the Centre Hastings High School Area.

To this, committee member Reeve Tom Burnside, of Madoc, said that it has been known for years what was wrong with the Centre Hastings High School Area.

"What's wrong with it is that only

half of the area is supporting it," he said.

None of the council speakers had any criticism for the three members of the consultative committee who, they said, had done a fine job.

Reeve Rodgers told council that the committee suggestions regarding Centre Hastings high schools were only suggestions. He said the committee actually had no jurisdiction in the area of high schools.

THE EASTER SEASON

What is there new to write about Easter? Only its old and eternal truth that life is stronger than death; love stronger than hatred; good stronger than evil. From the beginning of time men have hailed the coming of Spring as the resurrection of the earth from the death of winter. Long before the Christian era began, every religious cult celebrated, in one way or another, the returning season of growth and sunshine, with its promise of life beyond the grave. If the dead trees and grasses could so demonstrate immortality, why should man alone die to rise no more?

Next Sunday, April 10th, being Easter the whole Christian world will join in testifying to its faith that death is not the end, that life goes on forever in new and unknown, but more glorious forms, which we cannot imagine.

The belief that this is true, that there is a life of release from toil and sorrow, for those who truly believe and strive to live up to their belief has been the most powerful force in the history of our modern civilization. In this faith men have found a common tie of mutual service for the common good. All the concepts of duty, honour, self-denial, self-respect and loyalty upon which great nations have been founded, derive from the faith that which is the very heart and root of Christianity.

Let no one say that the faith of our fathers is out-moded, that it no longer has its old power to inspire our lives. Much of the world is living in troublesome times, and those of little faith are crying that the old truths have failed, that the old beliefs are dead. On Sunday next, hundreds of believers will meet to testify anew to the truth that their faith is a living faith — that it still rules the hearts of men.

Library Board Names Officers

In a recent meeting of the Stirling Library Board, the following officers were nominated for the current year: Chairman, Mrs. Douglas Patterson; Treasurer, Mrs. Bruce Glendinning; Secretary, Mrs. C. Potts; Property Committee, Mr. Don Rodgers; Mrs. K. Bailey; Mrs. D. Williams; Book Committee, Mrs. C. Potts, Mr. W. Camm, Mr. E. Fleming.

The circulation report for 1965 showed 13,409 books read, with a reference section being used a great deal by both students and adults.

A meeting is to be held on May 13 to organize an executive to urge the formation of a county library in Hastings. To those who will take the time to study the functions and workings of a county library, the benefits seem endless — greater and wider service to a broader scope of the population and a shared cost that would be less than that of the present system of small public libraries. Mrs. Glendinning and the librarian

Tax Hike on County Roads System

At least for some of the taxpayers in Hastings county there will be no increase in the annual county tax bite.

Those lucky taxpayers are those who happen not to be living within the Hastings county roads system. There will be increase in the general county millrate for 1966, which will remain the same as for last year, at 12.5 mills.

But for those taxpayers living within the county roads system there will be an increase of 1.5 mills, bringing the roads tax bite up to an even 10 mills.

A Message From The Stirling Cancer Society

Again, it is April and the annual campaign of the Stirling and District Branch of the Canadian Cancer Society is underway.

In man's long and difficult struggle against disease, no work is more urgent than the fight to control, and ultimately to eradicate, cancer. It is because of this urgency — because so many Canadians are intimately affected by cancer's toll — that your local Cancer Society appeals for public support.

The Society's programme includes research, treatment, education and welfare; it aims at relief from suffering and at finding effective means both of prevention and cure.

Every contribution will help the Society and through it, science, to achieve these great goals. Thus it is our earnest hope that this year again, with the generous help of as many Canadians as possible, the campaign of the Canadian Cancer Society will reach — and surpass — its objective.

ALLEN LAWES,
Campaign Chairman

When You Build With Modern Roof Trusses

SAVE LABOUR

The roof of an average house can be erected in just two hours, by only three men. Rugged light-weight trusses can be handled easily by two men.

SAVE MATERIAL

Trusses are spaced 24" o.c. instead of 16" o.c. as in conventional roof framing. Yet because of their great strength, they easily handle abnormal snow loads.

Trans Canada Trusses have full **CMHC ACCEPTANCE**

SAVE TIME

By closing in the house quickly, interior finishing can proceed independent of weather conditions.

SAVE MONEY

Your exact costs are known. You avoid waste and error and eliminate on-site cutting.

In Memoriam

BATEMAN — In loving memory of a dear wife and mother, Annie Elizabeth Bateman, who passed away April 7th, 1965.

Though her smile is gone forever And her hand we cannot touch, Still we have so many memories Of the one we loved so much. Her memory is our keepsake, With which we'll never part, God has her in His keeping, We have her in our heart.
— Sadly missed by husband, Percy, and daughters, Edna, Ruth and Donna. 14-1p

JOHNSON — In loving memory of our dear mother, Mrs. Zella Johnson, who passed away April 6th, 1962.

What would I not give to clasp her hand,
Her dear, sweet face to see;
To hear her voice, to see her smile,
That meant so much to me.

— Ever remembered by Edna and Tom, of Kingston and Ray, of Pembroke. 14-1p

STILES — In loving memory of Marion Stiles, who passed away April 10th, 1960.

Six years ago since the sad day
The one we loved was called away;
God took her home, it was His will,
But in our hearts she liveth still.
— Ever remembered by her husband, Harold Stiles, Kenneth and Janice and Robert and Nancy.

Shower For April Bride-To-Be

On Monday night, April 4th, some thirty young ladies and neighbourhood friends gathered at the home of Mrs. Warren Harlow, Stirling, where Miss June White was hostess for a delightful bridal shower in honour of Miss Marilyn Reid, an April bride-to-be.

On arrival, a lovely rose corsage was pinned on the guest of honour, her mother, Mrs. Reid, and Mrs. C. Hall.

Previously, the rooms had been appropriately decorated for the occasion with pink and white bells and streamers.

The dining-room table, with white cloth and pink rosettes at each corner, was centred with a basket of beautiful pink and white snapdragons and carnations.

The evening passed quickly with several contests, a humorous reading, given by Mrs. Claire Knight, and a number of flash pictures taken by Mrs. Donald Towns.

Miss Reid was asked to take a special chair, above which was hung a cluster of coloured balloons filled with confetti. An address, signed on behalf of those present, was read by Mrs. Maurice Clancy.

The guest of honour, assisted by Mrs. Arnott, Miss Joyce Stapley and Miss Prest, opened the attractively-wrapped parcels.

While the gifts were being viewed, a colourful hat was assembled from

the gift bows.

Marilyn graciously thanked her friends for their good wishes and gifts and extended an invitation to visit her and her husband when they get settled in their home at Havelock. All joined in singing "For She's a Jolly Good Fellow".

The guests then repaired to the artistically decorated recreation room, where a delicious lunch, including a beautifully-iced cake and ice cream, was served.

Tanner L.O.L.**Card Party**

The card party, sponsored by Tanner L.O.L. was held Friday night with six tables in play. Winners were: Ladies' high, Mrs. Archie Wickens, second, Mrs. John Courtney; Men's high, Mr. Chas. Lebow, second, Mr. John Edwards; door prize, Mr. Bill Keller.

Lunch was served and it was announced that this was the final card party of the season.

Loss Heavy In
Blaze at Roslin

Investigators are still probing the cause of the fire which Sunday morning completely destroyed the modern Chisholm Bros. sawmill, east of Roslin, causing an undetermined amount of damage.

The blaze, noticed shortly after eight o'clock, was believed to have started in the vicinity of the oil furnace, near the centre of the mill, but quickly spread out of control, with firemen from Belleville and Tweed having no chance to save the mill structure filled with modern sawing and planing equipment.

No decision has been made by the owners regarding possible reconstruction of the mill.

Sunday's blaze was the second fire in two decades for Chisholm Brothers, who 22 years ago lost their feed mill, lumber mill and barns on the bank of the Moira River at Chisholm's Mills.

The most intensive manhunt in the Quinte area in many years began on Wednesday afternoon after four hooded gunmen robbed Frankford's Bank of Montreal of \$15,000 one-half hour before closing time.

The get-away car, which had been stolen earlier from Kingston, was recovered in the bush just west of Glen Miller about one hour after the robbery.

Footprints were found in the bush and extra police were called in and issued with rifles and shotguns. Over 100 police officers and a police tracking dog were brought into the search in the Glen Miller-Batawa area.

Roadblocks were set up throughout the entire area shortly after the hold-up.

County Public Library Aim of Executive

The drive for a County Public Library will be spearheaded by an executive to be elected at a meeting at Stirling Public Library on May 18th. All Hastings County citizens are invited to attend the meeting.

For several years, the Hastings County Library Advisory Committee has endeavoured to make area residents aware of the benefits that a county public library system would provide. Because of a variety of problems, the committee was not as active last year.

The committee has asked that the Lake Ontario Regional Library Cooperative take the necessary steps to reactivate the group. This will be done at the meeting in Stirling.

A discussion on all the aspects of county public libraries will be held at the meeting.

I.O.D.E. Sixty-Six Years Old

The I.O.D.E. (Imperial Order Daughters of the Empire) celebrated its 66th birthday on February 13th.

The results of the work accomplished by the Order's 976 Chapters, penetrate to all corners of the globe and, at Founder's Day meetings from coast to coast, the members can reminisce with pride on the growth of the Order from one woman's dream (Mrs. Clark Murray, the Founder) to the strong and outstanding reality which it is today. This national organization — a Canadian organization — raises and disburses annually over \$1,000,000 for education, emergency and disaster relief.

In the field of service, the I.O.D.E. continues to make a worthy contribution, both at home and abroad, amounting to approximately half a million dollars annually. The amount of \$325,000 is spent on welfare in Canada, and \$115,000 on relief supplies to the needy which are shipped to Europe, Africa, Korea, the West Indies, Hong Kong and India. This includes the sponsorship of destitute and refugee children.

In the past year, six hundred cases were shipped to the emerging countries. The contents of the cases represent incalculable hours of work spent by I.O.D.E. members across Canada. Each province has a workroom,

staffed by members who sort and pack the handmade quilts, sweaters, baby clothes, afghans and toys for shipping. Members give countless hours of service to institutions for the Blind, Retarded Children, Cerebral Palsy, work in hospitals, Blood Donor clinics and Canadian Friendship Centres.

Eleven years ago X-ray equipment was provided for the T.B. Children in Korea. Each year the supporting supplies such as X-ray developer, film and parts necessary for the maintenance of the unit are sent — the cost amounting to \$3,600.00 annually.

Members again enthusiastically packed Christmas parcels for the Eskimo and Indian children in Community Centres and on reservations in the Far North.

Over \$350,000.00 is spent on Educational projects by the Order and the work continues to expand.

Sixty-four schools and ten hostels in the Northwest Territories have been adopted by the chapters, as well as thirty-six schools in Northern and Southern Labrador, and eighty-one remote and isolated schools in Newfoundland. The I.O.D.E. has also adopted secondary schools in the West Indies and British Honduras. School adoptions constitute gifts of new libraries, prize books, records, pianos, geographic slides, projectors, and varied visual aids.

Canadian Arts continue to be supported by the I.O.D.E. in each province. The National Chapter of Canada awarded a third bursary, amounting to \$300 to the National Theatre School of Canada.

The work of the Commonwealth Relations department is done mainly in education. This year, three undergraduate students are studying medicine — two in India and one in Nigeria.

\$69,400 was awarded from I.O.D.E. First and Second War Memorial Funds to provide Post-graduate Scholarships of \$2,000 each (in Canada) and \$2,300 each (for Overseas); bursaries were awarded to children of Canadian War Veterans to enable them to attend Canadian universities.

The I.O.D.E. Canadian Centenary Fund has a minimum objective of \$50,000. This Fund, to which all members have been contributing, will be shared equally by all ten provinces as well as an allocation to the Yukon Territory. Each province has a special educational project to commemorate Canada's Centennial Year, which will be financed from their share of the Fund.

CANCER MYTHOLOGY FADING

Canadians can be excused for any confusion of mind and spirit they have displayed in recent weeks. The babel of tongues coming out of Ottawa must have disturbed the faint hearted and the strong hearted, though the latter only momentarily. Being citizens, they have at least their share of the stubborn, indomitable will which produces a sense of values. In any case, it's Spring and the final departure of Winter is usually followed by a forward-moving spirit. Planting time is not far away for most of Ontario and pruning time is already here for the farmers and the gardeners.

We hope, too, that Spring will bring a revival of the spirit of participation, involvement and contribution. This month — April — is cancer month and the time has arrived to support the good people who carry on the work of the Canadian Cancer Society. Their task increases sharply during April when they raise large sums of money for research, education, and service.

There is evidence that the cancer frontier is being pushed back. Every now and again, we hear of a cancer sufferer whose dreadful malady has been arrested or cured and he has been given a new lease. This is wonderful news. It is good, too, to see the mythology being stripped away and discussion of the disease brought out into open air.

According to our local cancer committee, Ontario citizens must raise \$2,320,000.

Our share is just a fraction of this, but it will take great effort and much hard work in spite of the size of the community's contribution to reach our quota. Good Canadianism includes social membership. The April fees are now due.

Who's Delinquent

We read in the papers, we hear on the air

Of killing and stealing, and crime everywhere.

We sigh, and we say, as we notice the trend

Of this young generation, "Where will it end?"

But can we be sure that it's their fault alone?

That maybe part of it isn't our own?

Too much money to spend, too much idle time

Too many movies of passion and crime;

Too many books — not fit to be read,

Too much evil in what they hear said.

Too many children encouraged to roam,

By too many parents who won't stay at home.

Kids don't make the movies, they don't write the books

That paint gay pictures of gangsters and crooks.

They don't make the liquor, they don't run the bars.

They don't make the laws and they don't buy the cars.

They don't make the drugs that addle the brain,

It is all done by older folk, eager for gain.

And, in how many cases, we find that it's true,

The label "delinquent" fits older folk too!

Spring Brook UCW

The president of Spring Brook U.C.W., Mrs. Gerald McFaul, warmly welcomed members and visitors to the regular monthly meeting held in the Church Hall on Thursday evening at 8 p.m. The hostesses were Mrs. R. Thompson and Mrs. P. Mumby.

The programme was in charge of Mrs. C. Spry, Mrs. W. Rathwell and Mrs. H. Mumby. Mrs. D. Fleming gave the topic on Easter, prepared by Mrs. C. Spry. The meaning of Easter is to rise again, restoration or revival.

The promise of Jesus was that we, too, shall rise again to a new life. Seven words from the Cross: 1. Father, forgive them; for they know not what they do. 2. To-day shalt thou be with me in paradise. 3. Woman, behold thy son. 4. My God, My God, why hast thou forsaken me? 5. I thirst. 6. It is finished. 7. Father, into thy hands I commend my spirit. Scripture was given by Mrs. R. Mc-

Keown, Mrs. R. Shortt and Mrs. S. Downer on Lent, Holy Week, Good Friday and Easter. Mrs. Don Bate-man gave the Litany prayer, responded to by all. Roll call was answered by singing hymn 86.

Overseas relief thanked the U.C.W. for bale sent. An invitation by letter to attend their missionary meeting on April 13th and give a musical number. Mrs. G. Thompson was appointed delegate to attend the Fellowship planning meeting, April 22nd, at 7 p.m. in St. Paul's United Church, Stirling. Mrs. C. Burditt thanked Mrs. R. McKeown for doing the press reporting in her absence due to illness.

Mrs. D. Fleming reported for the visiting committee and Mrs. P. Mumby gave the flower and fruit committee report. Another opportunity sale will be held at a later date. The U.C.W. will cater at the Hickson Sale on May 2nd. Three more tables are to be ordered. The Supply and Welfare Committee are to see about a gift for a family who had a fire.

Bible study was given by Mrs. L. Bailey on the U.C. crest and those taking part in Scripture readings were Mrs. G. Webb and Mrs. B. McCoy.

An appropriate reading was given by Mrs. J. Thompson on "Easter in Your Heart". The meeting closed with prayer by Mrs. G. Apps. A social hour followed. The next meeting will be held in the Church Hall on Thursday, May 5th, at 2 p.m.

THE BIBLE TODAY

Uruguay is in some ways the most secularized country in Latin America. This fact is illustrated even by the change in the names of religious days. Christmas Day is now called by many The Day of the Family and Holy Week is The Tourist Week.

Against this background people are asking whether there is a solution in the Christian faith to the nation's problems. During 1965 over three-quarter million Scriptures were sold in Uruguay. This means that, on the average, one copy of Scripture was distributed to every three persons throughout the country.

One school teacher showed her children various kinds of Bibles, commenting on each. Many children wanted a Bible for themselves. A

few days later a small boy came to the teacher to say, "If what you

have told us about the Bible is true, it must be the most wonderful book

1967 Licence Plates Will Have New Look

Ontario has redesigned its motor vehicle licence plates to give them a centennial theme in 1967.

Net year's plates will bear the word "Confederation" at the bottom, separating the numerals of the year 1867. At the top, the word "Ontario" will be fitted in between the numerals of 1967.

The actual numbers of the licence plate will be separated by a crown in the middle of the plate.

The government displayed prototypes of the new plates at a press conference recently.

The plates will have white lettering and numbering on a blue background — the same as in 1965. They are about to go into production at Millbrook reformatory, near Peterborough, where they are manufactured by prisoners.

OF MANY THINGS

by Ambrose Hills

CONFLICT OF INTEREST

The interest of the man who produces is opposite to that of the man who consumes. One wishes to sell high, the other to buy low. Thus their interests are poles apart and cannot be reconciled.

Society gains from this difference. Producers vie with each other to meet the requirements of the consumer — and we are all consumers a large part of the time.

It seems to me that some members of the co-operative movement go wrong when they are blind to this fact of life. They promote the idea of a Ministry of Co-operatives to advance the cause of both consumer co-ops and producers co-ops, as if they were not in conflict.

Another anomaly is the claim by some producer co-operatives that they provide "Service at cost". At whose cost? I believe farmers, in particular, must wonder at this service-at-cost claim. Certainly it is hard to visualize a society in which

everyone sells to the farmer at cost while he, as a producer, hopes to continue to sell at a profit. Inasmuch as consumers vastly exceed farmers in number, it is clear that they soon would be demanding "produce at cost", and farmers would go down the drain with all others who practise service for profit.

It is often highly unpopular to say anything that could be construed as criticism of the co-operative movement. The co-operative principle has great merit. Yet those who espouse the present set-up of producer and consumer co-ops go overboard, someone needs to throw some light on where their arguments could lead us. The co-operative business is big

business today and growing by leaps and bounds. All co-operatives, producer and consumer alike, are allowed special tax privileges. And through a system of crediting dividends to members but retaining them for further development, the co-ops as an average pay six per cent corporation tax against fifty-two per cent paid by the firm they compete against. It is easy to see where profit-motivated business will get off at in the next forty or fifty years. Where will the taxes come from then? I believe there are many people in the co-operative movement itself who feel that they should be carrying a fairer share of the cost of running the country.

Annual Meeting River Valley Women's Institute

On Thursday, April 17th, Mrs. Jack Beswick was hostess for the annual meeting of River Valley Women's Institute, with sixteen members in attendance.

The meeting was preceded by a dessert luncheon, served by Mrs. John Kane, Mrs. Charles Wilson and their assistants.

Mrs. Glenn Bush opened the meeting with the Institute Ode and Mary Stewart Collect.

Mrs. Jack Bush acted as secretary pro-tem. Mrs. Percy MacMullen read a message from Mrs. Coombs in England, which she had received on March 8th.

For Public Relations, Mrs. MacMullen referred to the fact that for the past sixteen years River Valley W.I. had sponsored a paid corner on page 4 of the News-Argus. This was her own idea in 1950 when she had discussed the matter with Editor Tompkins before bringing the particulars to the Institute meeting, where it was adopted and has been in force ever since.

It was announced that the 4-H Club Achievement Day would be held in Belleville on May 28th.

Mrs. Roy Tucker acted as treasurer for the afternoon and thirteen ladies paid their membership fee and there are five Life Members. Several suggestions were handed in for the new programmes.

The correspondence included messages of thanks for cards received; an invitation to visit Guelph on May 1st; a letter from Mr. Jim Clelland of his films; a letter of appreciation from the "Save the Children Fund".

The business included two choices for the short course: "Vegetables With a Flair" or "Desserts". Plans were completed for a social evening at the School House on Friday evening, April 22nd, at 8 p.m., in aid of the Swimming Fund. Mr. Jim Clelland will show his films on Water Safety and there will be a humorous programme. Sandwiches and pie will be served. A collection will be taken for this project and donations will be accepted. A special invitation is extended to the parents of the children.

The President and District Director will attend the District Annual on May 10th at the I.O.O.F. Lodge Hall in Stirling. Mrs. Norman Rosebush will report the morning session and Mrs. Charles Wilson the afternoon session, with Mrs. Roy Bush as alternate delegate.

River Valley W.I. will be hostess for the District Annual and plans were made for this at an Executive Meeting on March 21st.

The minutes of the last annual meeting were read and the secretary, Mrs. Ernest Carr, sent a written report. There were 38 members and

two valued members passed into Higher Service during the year. Eleven regular meetings were held and a business meeting at the July picnic and four Executive meetings. Average attendance was twenty. Five members attended all meetings: Mrs. Glenn Bush, Mrs. Ernest Carr, Mrs. Percy MacMullen, Mrs. Roy Tucker and Mrs. Allan McDonnell. Three members did not attend any meetings. The group catered at the Heasman Farm Sale and The Hickson Livestock Sale. The special project was swimming instruction for the children at the Kiwanis Memorial Pool, Belleville. Several books from the Agricultural Office were distributed to the members and these were appreciated.

Mrs. Vernon Harry read the financial statement, prepared by Mrs. J. R. Donohoe. The proceeds from the thirteen card parties were almost \$237.00. Other receipts were from donations and catering for two sales. The total expenses were over \$817.00.

Mrs. Percy MacMullen gave the auditor's report. The reports of the various committees were given and everyone was reminded that a copy of these reports should be forwarded as soon as possible to the District officers. A synopsis of the work was given by Agriculture and Canadian Industries, Mrs. Roy Tucker; Citizenship and Education, Mrs. Vernon Harry; Historical and Current Events, Mrs. Roy Irwin; Home Economics and Health, Mrs. Jack Bush; Resolutions, Mrs. Percy MacMullen; Tweedsmuir Curator, Mrs. Roy Bush. (She stressed the importance of everyone contributing to this phase of the work); A.C.W.V. and Pennies for Friendship, Mrs. Roy Tucker, and Ralph Tucker gathered the pennies; Friendship Link Secretary, Mrs. Percy MacMullen, gave a descriptive account of the letters, clippings and Christmas gifts which had been exchanged during the year with Mrs. E. Coombs, of Abbots Leigh W.I. in England. The English Institute had duplicated copy of their Jubilee scrap book of 1965 which they entered in the competition.

For Public Relations, Mrs. Percy MacMullen has reported all meetings, card parties and Institute events in two newspapers. She has attended

all the meetings and given a message on this department. The work has also been publicized through Jane Gay.

The donations report showed \$33.00 spent for Provincial, National and International projects. For Educational projects, \$120.00 such as delegates expenses to district and area; for Educational projects in the community, \$96.00. This included gifts to Stirling Arena and prizes for Stirling Fair.

Contributions to River Valley community amounted to \$451.00, which included swimming instruction and transportation for the children to Belleville; four funeral flowers; cards of various kinds; cheer parcels; gifts to three members, etc. This was a total of \$700.00 on the itemized report.

These reports showed that much had been accomplished during the year.

Past President, Mrs. Vernon Harry, conducted the election and installation of the new slate of officers. The nominating committee, Mrs. J. L. Donohoe and Mrs. Gerald Brooks provided a written report on their work.

In the new business, a committee was appointed to look after the 1966 swimming arrangements. They will be Mrs. Glenn Bush, Mrs. Jack Bush, Mrs. Jack Beswick and one non-Institute member.

It was authorized that the membership in the Hastings Historical Society be renewed. Plans for the May meeting will be announced later.

Daylight Saving Time Starts This Sunday

Yes, readers, that time is here again!

Saturday midnight, April 23rd, set that clock ahead one hour, lose an hour's sleep and roll the children out an hour early Sunday morning for Sunday School and Church services or else they and their parents will surely be late.

Monday morning the struggle will undoubtedly be very severe. Teachers will, no doubt, be confronted by sleepy pupils until around recess.

No matter how severe the results, Daylight Saving Time is here to stay until October 30th so just remember everything is on D.S.T. for the next few months.

Oh, well, we have to have time, so let's enjoy it even if we must get up an hour earlier to see the sunrise.

Festival Will Be Held At St. Paul's United Church On May 2nd, 3rd and 4th

Adelmo Melecci, prominent composer, teacher and Principal of Willowdale Conservatory of Music, will be adjudicator at the forthcoming Festival of Sacred Praise which is to be held in Stirling on May 2nd, 3rd and 4th. The Festival Committee realizes its good fortune in obtaining a man with Mr. Melecci's wide experience to adjudicate the Festival since his judgments should be of great help to the young contestants.

Rev. R. J. Nichol, of Norwood, is to be adjudicator in the Scripture Division. The material for this section was prepared by Rev. D. A. Wilson, of Trenton.

Wide interest is being shown this year and at a recent meeting of the sub executive, Mrs. T. W. Spear, President, announced that forty entries had been received in accordion classes. This is in accordance with the decision to expand the scope of the Festival to include band and other instruments. Entries have also been accepted for cornet, violin and pipeorgan, in addition to the usual piano, vocal and Scripture.

Stars of Festival Concert

Stars of the Festival will perform on the evening of May 4th at St. Paul's United Church, Stirling, where the Festival takes place. The public is admitted either by season tickets — which includes all sessions, or by special ticket to the Stars of the Festival alone.

Much interest is being shown this year and entries have been received from areas which in the past have not participated. Mrs. Bruce Glendinning, Secretary, announced that programmes will be in the hands of the contestants by next week.

Warren, membership, that there are now 114 paid members; the president announced that 25 pounds of nylons had been sent to Korea; also that two memorials of flowers had been sent by the U.C.W. and three Easter lilies had been purchased for the Church for Easter Sunday. A bale of good used clothing will be packed and sent on May 25th.

Mrs. Bush then turned the meeting over to Unit One for the devotional. The opening call to worship was given in three parts by Mrs. B. Small, Mrs. H. Johnson and Mrs. C. Trumble. Everyone joined in singing an Easter hymn, "Crown Him With Many Crowns". In the story of the Prodigal Son, Mrs. H. Johnson told how Peter, Paul and John preached the story of the passion of Christ. Mrs. C. Trumble told of Peter's preaching and how the people, seeing the boldness of Peter and John, knew they had been with Jesus. After the second hymn, "At The Name of Jesus", the offering was gathered and dedicated by Mrs. Small. The worship portion of the meeting closed with the Lord's Prayer. In keeping with the Easter season, Mrs. H. West favoured with a piano medley, "Were You There When They Crucified My Lord", "Alone", and "The Old Rugged Cross".

programme, led by Mrs. E. Bateman. Mrs. G. Richardson was called on to read an article on Christian Education, and Mrs. Bateman told of some research work on Christian Education, including practice schools for teachers, explorers and tyro groups, vacation school, girls' work, program suggestions, boys' work, joint meetings, senior Hi-C rallies, Y.P.U., adult work and conferences, summer camps, Sunday School work and training centres such as at Five Oaks. A short story on the new movement, Kyros, was given by Mrs. D. Donohoe. Mrs. Bateman presented a film on "Plan for Christian Education", which told of the Board of Stewards' duties. The Board must define their goals and develop programmes on Christian Education that arouse interest and concern, also provide a curriculum, schedule events and encourage attendance, provide rooms and equipment and report their programmes. The film stressed: "One Job at a Time — Step by Step".

The meeting closed with all repeating the Mizpah Benediction.

During the social hour, Unit Four served a delicious lunch of hot cross buns, cheese and coffee. Thanks for a most enjoyable and educational evening was expressed by Mrs. Roy Bush.

THE PRICE OF IMMORTALITY

A new dimension may have been added to the business of dying with the discovery of a system of deep freezing the deceased in the hope that medical techniques of the future will be able to cure his ailment and restore him to life.

A professor in Michigan is said to be working on a freezer cemetery, where people can be interred to await advances in medical science that could mean their resurrection in later years.

Cost of the process is \$50,000., considerably higher than the usual funeral.

But who can put a price on immortality?

"Everybody ought to do at least two things each day that he hates to do, just for practice," advised the American philosopher William James.

Missionary Meeting Rylstone U.C.W.

On Wednesday afternoon, April 13th, the United Church Women of Rylstone United Church held their annual missionary meeting in the Church, with ladies from Spring Brook and Stanwood organizations as guests.

Owing to a lot of sickness in the surrounding communities, there was a very small attendance of ten members from the hostess branch, nine visiting ladies and five children.

Mrs. Ross Dickie, president of Rylstone U.C.W., was in charge of the devotional part of the meeting and opened with a short reading and prayer. Mrs. Wilfred Spencer gave the Scripture selections from Revelations. The hymn, "The Day of Resurrection" was sung and Mrs. Clarence Thomson gave a short reading. A responsive reading was led by Mrs. Dickie and the hymn "Jesus Christ Is Risen To-Day" was sung.

Mrs. Dickie introduced Mrs. George Carlisle, of River Valley, who gave a very seasonable and well-prepared talk on "Easter, The Cross and Resurrection", bringing her remarks to a close with a short prayer.

Mrs. Carlisle was thanked by Mrs. Dickie, who presented her with a small gift from the U.C.W.

Mrs. George Williams rendered a beautiful Easter solo, "Lilies, Sweet and Fair", with piano accompaniment by Mrs. Clarence Thomson. Mrs. Carleton Rowe, of Stanwood, and Mrs. Raymond Stewart, of Rylstone, gave readings; the latter, a poem, "He Carried The Cross For Our Saviour", composed by a Stirling lady.

Mrs. Clarence Thomson gave a piano solo, "Bless This House" and Mrs. Aaron Anderson and Mrs. Lloyd Anderson collected the offering.

Refreshments were served at the close of the meeting. Next month, the U.C.W. will meet at the home of Mrs. Wilfred Spencer.

NOTICE

The Stirling-Rawdon District High School Board has NO intention of advising closure of this school in the foreseeable future.

It is the opinion of this Board that:

1. Students in this area are being offered education of high calibre if they are willing to benefit by it.
2. The teaching staff is well qualified and capable.
3. The turnover in staff is no greater than other schools, including the larger schools. Those teachers who are leaving have legitimate reasons for so doing, which have no bearing on this school.
4. Public School students should be encouraged to take at least grade nine in this school before launching into the technical field. The benefits would be great and chances of a costly error in direction of education would be lessened.
5. Student participation in school activities which develop and broaden the capabilities of a developing personality are greater in a school of this size.

Let us dispel, once and for all, the rumors concerning the future of this school, for which there is no basis in fact. Let us instead, lend our efforts towards improving and enlarging those facilities which we have for the betterment of our emerging citizens and our community at large.

Let us also remember that little constructive education can be gained riding on a bus, even when such transportation is advisable and necessary.

Signed — MR. HARRY MORROW, Chairman

About 200 top-ranking Canadian scientists, working in 23 universities and research centres, are currently receiving research support from the Canadian Cancer Society.

THE WATER CARRIER

They say you can take the pitcher to the well too often, but I think with a good well and a strong pitcher the only thing that might break down is the water carrier.

The people of Ontario have shown us every year that they are a "good well" — providing whatever we need in the way of money to carry out our expensive plans for research, education and services to patients. There is a willing supply of water in this well because the people of Ontario are concerned about cancer, concerned about their family and their friends; they want to help fight this disease, and the only way they know how is with their money, through the Cancer Society.

The pitcher is our campaign machinery and organization. More than fifteen campaigns have proven that our pitcher grows stronger and more effective with use, until this year we have mounted the strongest campaign of our history.

Now how about the water carrier?

That is the individual canvasser — you know, you and me. And you can't take water from the best well in the world, with the prettiest pitcher ever made, without the water carrier. Some of us are going to start off full of enthusiasm but then fade away rather quickly after the first flush. Some of us are going to put off getting started because of the weather, or competing charities, or a sick mother-in-law or, in fact, we are just going to put it off mother-in-law or, in fact, we are just going to put it off and think of some reason afterwards. Then there will be those who lose their kit, or take a trip down South, or develop influenza. But the best ones! They will do everything in their own effective way and the water will flow and flow and flow.

And so, fellow water carriers, put your pitchers on your heads and determination on your feet. Bring back the water! We have so many thirsty throats...

Then I'll be proud to say to you as Kipling said about another water carrier:

"Though I belted you an' flayed you
By the livin' Gawd that made you,
You're a better man than I am,
Gunga Din."

BELL LINES

by R. W. Carleton
your telephone
manager

Now that April is here, complete with thoughts of income tax, rainy weekends and, in most communities, the return of Daylight Saving Time, most property owners are anxious to begin work out of doors. During the long winter months when snow covered yards and patios many have been busy making plans to plant shrubs or trees, put up a new fence or make other improvements. However, before you get your hands on the shovel or any other digging tool, please give us a call to find out if there are any buried cables on your real estate.

All it takes is one hefty thrust of a shovel or a well-sunk fence post to damage a buried cable. This damage could disrupt regular telephone service, long distance, data-sending facilities or even emergency communications that might be transmitted by telephone wire. This cable-locating service is provided free by Bell Canada. Just give us a call at 114 (Repair Service). We will advise you quickly if cable is under your property. And, while we are on the subject of cable protection, something else comes to mind. The burning of brush and last year's dead grass is another popular April pursuit in centres where fire regulations permit. Before striking the match, look up. There is nothing like a roaring fire beneath telephone wires to put part of the system out of commission. And, the pungent smell of an outdoor fire is not enhanced by adding burning cable! Like good health, the telephone is never fully appreciated until we are without it. Let's do our best to look after both.

When you lift the receiver on your telephone you may notice that your telephone set has been made in Canada by Northern Electric. If you have ever stopped to watch the huge cable laying machinery placing cable underground you will likely have noticed that the tremendous reel that unwinds that cable is marked in large letters, "Northern Electric". In communities where a new telephone switching centre is being constructed by Bell Canada (and there have been many in Ontario in the past few years), it is Northern Electric equipment that goes into it, and Northern Electric technicians who install and test the equipment to make sure it operates to exacting standards. Northern Electric has developed Canadian sources for more than 95 per cent of all material it purchases. More than 5,000 other Canadian firms are engaged in supplying Bell Canada's various needs through Northern Electric. This close relationship between Bell Canada and Northern Electric is not accidental. Northern Electric is Bell's wholly-owned research, manufacturing and purchasing subsidiary. The resulting unity of purpose and shared objectives contribute to the high quality and reasonable cost of service enjoyed by Bell Canada customers. The partnership provides the necessary degree of integration in research, supply and service operation that solves particularly Canadian problems — distance, climate and sparsity of population to assure customers a standard of service that is second to none in the world.

Miss Carol Lucille Beckett Becomes Bride of Robert Winston Clarke

Baskets of blue tinted mums, pink gladioli and fern adorned the altar in Wellman's United Church when Carol Lucille Beckett, daughter of Mr. and Mrs. Frederick E. Beckett, Harold, was united in marriage to F/O Robert Winston Clarke, of Gimli, Manitoba, son of Mrs. Harry Clarke, Stirling, and the late Mr. Clarke.

Rev. Wilbert Cox officiated at the wedding ceremony and traditional music was rendered by Mrs. Craig Watson, who also accompanied the soloist, Mr. Donald Armstrong, in his renditions of "The Lord's Prayer" and "O Perfect Love".

Given in marriage by her father, the bride wore a full-length gown of white peau de sole and Alencon lace, featuring a rounded neckline and empire style bodice of lace, lavishly embroidered with seed pearls, elbow-length sleeves and highlighted with a flowing removable train, edged with scalloped lace. Her headdress was a pearl crown fastened to a bouffant veil of tulle illusion. She carried a cascade bouquet of pink carnations and stephanotis.

Mrs. Glen Floud, of Stirling, as matron-of-honour, wore a full-length empire style gown of satapean in shell pink with matching petals and velvet ribbon at the waist and featuring a full-length removable train. Her headdress and bouquet were of pink tinted carnations.

The bridesmaids, Miss Annamae Clarke, sister of the groom, and Miss

Dawn Beckett, sister of the bride, wore dresses identical to the matron-of-honour, but in aqua blue shade and their headdresses and bouquets were of aqua tinted carnations.

The little flower girl, Miss Melanie Linn, wore a full-length shell pink dress, identical to the matron-of-honour, and her headdress and nosegay were of pink tinted carnations.

The ringbearer was Master Danny Clarke, nephew of the groom, carrying the rings on a white satin pillow with streamers of white ribbon and stephanotis.

F/O Jim McKay, of Portage La Prairie, Manitoba, was groomsmen and Mr. Burnard Beckett, brother of the bride, and Mr. Jack Donnan, were the ushers.

At the reception held at Mount Pleasant Hall, the bride's mother received the guests wearing a beige dress of imported lace with pink tulle hat, beige accessories and a corsage of pink Sweetheart roses. Assisting was the bridegroom's mother, who wore a two-piece suit of pink Antron with pink and white flowered hat, beige accessories and a corsage of pink and white feathered carnations.

For the wedding trip to New York and Nassau, the bride chose a deep beige wool suit, with matching derby hat and beige accessories. Her corsage was of orange Sweetheart roses.

Upon their return, F/O and Mrs. Clarke will reside at Gimli, Manitoba. Previous to her marriage, two mis-

cellaneous showers were held in honour of the bride at the homes of Mrs. Glen Floud, Stirling, and Mrs. Jack Dunham, Harold. The office and staff of London Life Insurance Co., Belleville, made her a presentation of a coffee percolator and a five-piece bridge set.

St. Thomas W.A.

The Easter meeting of St. Thomas W.A. Minto, was held Tuesday afternoon, April 19th, with a splendid attendance. Mrs. Preston opened the meeting with a hymn and prayers. The twenty-third psalm was read in unison. Rev. Stewart read the lesson appointed for Tuesday in Holy Week.

A welcome was extended to all by the president and roll call was answered by favourite Easter verses. Business was discussed. Mrs. Colden read the Board letter. The shut-ins are to be remembered at Easter and the thank-offering paid.

The programme followed with each member contributing a reading pertaining to Easter. Mrs. Colden sang "In the Cross".

The meeting closed with an Easter hymn and prayers by Rev. Stewart.

Easter Meeting Mt. Pleasant UCW

On Wednesday evening, April 13th, Mount Pleasant Church Hall was decorated with two Easter lillies and a mauve mum. One of the lillies was a gift from the Stirling Horticultural Society. There was an attendance of twenty-six ladies and six teenage girls at the Easter meeting of Mount Pleasant United Church Women.

Mrs. Harry McAdam welcomed the group. Mrs. Garth Joslin was pianist for several Easter hymns.

Mrs. W. C. Cox and Mrs. Ross Jeffs were in charge of the Easter devotional and the former read a special message.

Mrs. Donald Knight read the Bible lesson and Mrs. Robert H. Hoard gave a paper based on Psalm 16, "Preserve me, oh Lord, for in Thee do I take my refuge." She said each one can find a place of safety and a protection from danger, if we trust God for

guidance. The pianist has said, "The lilies have fallen for me in Dunham, Harold. The office and staff of London Life Insurance Co., Belleville, made her a presentation of a coffee percolator and a five-piece bridge set."

Mrs. James Hoard sang "The Holy City," with Mrs. Kenneth Weaver as accompanist. Miss Debby Graft contributed two Easter solos. Miss Brenda Williams read a selection in keeping with the programme.

In the business period an invitation was received from Wellman's UGW to visit their group on Tuesday, May 10. Parade of Old

Fashioned Clothes

A parade of fashions followed with Mrs. Raymond McConnell as commentator and Mrs. Carleton Potts as pianist. The clothes modelled by approximately twenty people showed a brown seersucker wedding dress of December 1864 vintage; a black plush hat of 1915; numerous dresses and wedding outfits that had been popular style throughout the years.

Several of the younger women modelled their own wedding outfits. The display also contained wedding shoes and children's dresses.

A social hour followed when Mrs. Ralph Jeffs and Mrs. Donald Knight served refreshments with their assistants and the president voiced thanks.

Glen Ross Splits Pair

(by Bob Taylor)

Glen Ross Trounces Odessa

Sparked by a brilliant five-goal outburst by Barry Dafeo, his first points of the playdowns, Glen Ross Elaines trimmed a shorthanded Odessa crew 8-2 before a fair-sized crowd in Wellington on Wednesday last.

Glen Ross battled the Clippers to a 2-2 stalemate in the opening period and scored the lone tally of the second period before scoring five unanswered goals; four by Dafeo in the final stanza. Paul Solmes, Doug Potts and Dale Benson triggered the other Elaine goals.

Both goalies, Compeau, of Odessa, and Bob Smith, of Glen Ross, turned in outstanding performances, despite the high score.

Napier and Peters scored first period goals for the Clippers, with Benson and Solmes replying for Glen Ross. Dafeo scored the only goal of the middle frame, sinking Solmes' rebound. Dafeo scored early in the third, unassisted, added another midway through the period, before Doug.

A much bigger Camp Picton Army

team overpowered the locals 10-2 in Wellington on Friday night.

They scored four unanswered goals in both the first and last periods and matched two by Glen Ross in the second stanza.

Paul Solmes scored both goals for the losers. Doug, Potts drew two assists and McConnell one. Bob Smith and Bob Taylor shared the goal-tending chores for the losers.

Glen Ross meets the Army team again Wednesday night (to-night) in Wellington and travel to Nanapanoe on Thursday evening to play Odessa.

These are both must games for the locals as Army thumped the Clippers 9-2 on Monday night.

To Call Tenders For Painting Of Bridge

A special meeting of Stirling Village Council was held Monday night with Reeve D. W. Rodgers in the chair. He was supported by Councillors Maurice Faulkner, Robert Hulin, Bruce Glendinning and Robert Anderson.

Following considerable discussion, it was decided to close that portion of unused road lying east of Henry Street to the west bank of Rawdon Creek, between the property of the Estate of the late Carlton Wright and Mrs. Helen Nelson's residence. This parcel of land will be offered for sale. This motion was made by Councillors Anderson and Faulkner.

Another small parcel of land, formerly occupied by the Stirling well on Henry St. will also be offered for sale, on motion of Councillors Hulin and Glendinning.

A discussion ensued with regards to the centre bridge over Rawdon Creek. It was the opinion of Council that it should not be used by heavy trucks and it was decided to post signs stating that it be restricted to cars and light vehicles.

Tenders for painting the Front St. bridge will be called, on motion of Councillors Anderson and Glendinning. Tenders to close, Monday, May 16th.

Following the meeting, Village Council, along with W. J. Morton, Stirling's representative on the Stirling-Rawdon District High School Board met with the Public School Board to discuss the future of elementary school education in the Village.

Sawyer (3), White (2), Bartlett, Bignell and Irvine scored for the Army. Bob Smith turned in another strong game in goal for the winners with Doug Potts and Larry Marshall starting defensively. Referees Wilson and Moynes, of Belleville, handed out 12 penalties, seven to the winners.

LESS TOGETHERNESS MIGHT HELP

Whether to take the family vacation in the mountains or at the seaside has long been a standard joke for the cartoonists. And the reason for its popularity could well be the seriousness of the basic problem involved.

The whole trouble is that although it's customary for families to go on their vacations together, there is seldom agreement on where to go. And when you come down to it, why should there be?

If mother had her choice, she would go to a place where the dishes are done, the meals cooked and the beds made. A Spring shopping trip to the big city — without the children — would probably suit her down to the ground.

Father would likely choose a fishing trip away from it all with the fellows, or perhaps a couple of weeks on the golf course.

But what happens? The family usually winds up at the beach or at Disneyland, because that's where the kids would like to go. And because most vacations must be taken during the two months when the children are out of school, some of the best vacation months are automatically eliminated. So there goes mother's Spring shopping trip or father's hunting in the Fall.

Obviously, if family loyalties were not involved, the sensible thing would be for members of the family to go their separate ways. And it might be a good idea, at that.

After all, there are 50 weeks for togetherness. Two weeks might well be set aside for apartness.

"A politician," said John Freeman Clarke, American writer of the last century, "thinks of the next election; a statesman of the next generation."

The April meeting of the Stirling W.I. was held on Wednesday afternoon with Mrs. C. Clancy opening her home for the occasion. Mrs. F. Smith opened the meeting. The Ode was sung, followed by the Lord's Prayer.

The minutes and correspondence were given by the secretary, Mrs. L. Bronson. Roll call was the payment of dues, with 14 members doing so.

Mrs. West gave the annual financial report. Mrs. Smith gave a summary of the year's work which was most encouraging; with \$100. made in quilts alone. The bales of wearing apparel to the Scott Mission twice a year was also a highlight.

In the Festival of Sacred Praise, two competitors were tied for the W.I. prize, so it was doubled with each receiving a Bible.

Mrs. Foster was appointed as voting delegate to the District Annual, along with Mrs. B. Reid and Mrs. F. Smith, with River Valley W.I. as hostess.

District President Gives Address

Mrs. Leslie Finkle, District President, was welcomed and gave a most outstanding talk, introducing the question, "How Do You Rate As A W.I. Member?"; also "What Is A

Housewife Worth to Her Home, Neighbour and Community". A home, to be called such, must be full of love, consideration one to another, a church-going practice. A neighbour would like to be treated like a close friend and when this sort of living person reaches community work, she has the ability, knowledge and an outlook on life to lead others, who have failed to live these virtues; a better and brighter development for sharing with others.

A small gift was given Mrs. Finkle for these words of wisdom.

Readings were given by Mrs. Bronson, "Spring"; Mrs. D. Luery, "The Easter Lily"; Mrs. Smith, "Your Job"; Mrs. Foster, "Hair-Cuts For Pensioners".

Refreshments were served and a social time enjoyed.

Rawdon Hi-C

On April 20th the members of Rawdon Hi-C met at Mount Pleasant Hall. Brenda Campbell read for the scripture lesson John 14: 21-27. Sharon Graff read "A Story from Isaiah."

The offering was gathered by Howard Jeffs and dedicated by the singing of a hymn. Roll call was answered. A bowling party was set for May 6th.

Mrs. W. Cox led in a sing song. The guests of the evening were Mr. and Mrs. Ross Dickie and Mr. and Mrs. Harry McAdam. Mr. Dickie showed pictures of the Rose Bowl Parade.

Lunch was served and evening closed with the Friendship Circle.

(Mrs. Clarence Fitchett)
Mr. and Mrs. Lawrence Wilson of Brockville spent a few days last week at the home of the former's mother, Mrs. F. Smith; Miss Valerie Wilson and brother Ronald Wilson, who had been visiting during the Easter vacation at their grandmother's, returned home to Brockville with their parents. Mr. and Mrs. Gordon Burrell were recent guests of Mr. and Mrs. Murney Kirkey.

The sympathy of the entire community here is extended to Mrs. Charles Stapley and family in the sudden death of a beloved husband and father last Tuesday.

A large number attended the funeral service held at Eggleton United Church on Friday, when the pastor, Mr. A. Smith delivered a comforting message for all the bereaved ones. Mr. and Mrs. Carl Reid and daughter

ers Judith and Susan have returned to Great Whale River, after visiting during the Easter week, with relations here and also attending the Hall-Reid Wedding at Thomasburg United Church.

A lovely spring wedding was solemnized on Friday night at Thomasburg United Church when Miss Marilyn Reid and Mr. John Hall were united in marriage by the Rev. H. Kennedy, of Tweed, assisted by Mr. A. P. Smith.

The Eggleton United Church Women catered for the reception held at Thomasburg.

Carmel U.C.W.

The April meeting of the Carmel U.C.W. was held at the home of Mrs. Douglas Pyear on Thursday afternoon. The president, Mrs. Douglas Pyear, opened with a hymn, prayer and a welcome to members and visitors.

The Easter devotional was given in dialogue form by Mrs. Arthur Pyear and Mrs. Vernon Harry for part one. Mrs. Joe Grills and Mrs.

Ray Hagerman read part two and union prayer concluded the period. Mrs. Ron White gave the last chapter of the Study Book on Brazil.

The business included the arrangements for serving the first course of a beef stew pie at the dinner of the Mission Festival at St. Paul's.

Mrs. Vernon Harry was in charge of the programme and introduced Mrs. Robert Merrick, who gave introductory remarks on their trip to Nassau, then showed a coloured film which was interesting and educational. Mrs. Harry conducted a contest.

The hostess served refreshments and appreciation was expressed to her and to Mrs. Merrick.

United Church Women Unit Four

Despite many counter-attractions, such as fine weather for house-cleaning or making calls, Unit Four of St. Paul's United Church Women, had a fair attendance at their April meeting.

Mrs. A. Harrington, leader for the month, and Mrs. S. Kirkey greeted the ladies on their arrival.

In the absence of Mrs. E. Mulheron, still confined to hospital, the meeting was chaired by Mrs. Ross Bush, who opened with a suitable poem and prayer.

Conducting first the business of the afternoon, the minutes of the last meeting were read by Mrs. V. Richardson, and Treasurer Mrs. J. B. Hough gave the financial report.

Among reports from secretaries, Mrs. M. Aythart mentioned the shipment of 75 lbs. of nylons and stated the bale would be sent on May 25th. Clean, used clothing is requested.

In the absence of Mrs. D. Luery, some letters of appreciation were read by Mrs. H. West and Mrs. V. Richardson. The Easter lilies from the church had been sent to Mrs. Mulheron, Mrs. M. Bell and Mrs. Donohoe.

Mrs. Bush thanked the women for co-operation in assisting with the St. Patrick's supper and stew supper on Friday last.

By request of Mrs. R. Patterson, Secretary of Christian Stewardship, Mrs. E. Eggleton read a short item on the Stewardship of Time.

Announcements

The May meeting will be held on May 17th with Mrs. H. Bird as leader. Church callers will be Mrs. C. Davidson and Mrs. A. Bush. The book, "Dr. Ida", has not yet been returned to the U.C.W. library.

Mrs. N. Flindall explained the plan to take the place of the Annual Bazaar and each member received an apron to make use of for monthly contributions and a letter of explanation. The idea was greatly favoured.

The Secretary, Mrs. Richardson, again brought up the matter of the Private Member's Bill regarding contraceptives and Birth Control, and after discussion, it was decided to support this bill and names were filed to express approval, and to be sent to local member of Parliament.

Devotions

Mrs. A. Harrington was in charge of the worship service, with Mrs. McMullen and Mrs. S. Kirkey assisting.

The lesson from Psalm II was read by Mrs. McMullen with Mrs. Harrington giving the commentary. Prayer was offered by Mrs. Kirkey. Offering, gathered by Mrs. J. Thompson and Mrs. B. Wannamaker, was dedicated by Mrs. Harrington. Suitable hymns were used.

Study Period

The study period was conducted by Mrs. W. Camm, on Chap. 4 of the book, "Jesus Christ and the Christian Life". This study is based on the temptation of Jesus after the loneliness and silence and hunger of the wilderness. Verses of Scripture were read, speaking of the three temptations — "tempted of the devil" it is written.

The first temptation was to satisfy hunger of his 40 days' fasting in the wilderness, by His power to do so:

"If you are the Son of God, command these stones to be bread made."

The reply of Jesus: "It is written man shall not live by bread alone but by every word that proceedeth from the mouth of God."

Again came the second temptation: "If Thou be the Son of God, throw thyself down (from a cliff) for it is written, 'He shall give His angels charge over Thee.'"

Again came the answer: "It is written, You shall not tempt the Lord thy God."

Once more, the tempter showed Jesus the Kingdoms of the world saying: "All these will I give thee if thou wilt fall down and worship me."

Again came the answer: "Be gone, Satan; It is written: Thou shalt worship the Lord thy God, and Him only shalt thou serve."

The temptation experience in the wilderness is symbolic of the struggle that permeated Christ's life. Jesus

made no compromise. His strength can be shared by men of faith, to bring them also through the wilderness, to victory.

Closing

After the Benediction by Mrs. Bush, a social time was enjoyed, with lunch served by the April committee. Mrs. C. Davidson expressed appreciation of all, for the splendid programme and refreshing tea.

Salem U.C.W.

The April meeting of Salem United Church Women was held Thursday at the Church Hall with Mrs. Stanley Thompson as hostess. A quilt was completed for Mrs. Evelyn Sine. Dinner was served at noon.

The meeting opened by the President with Scripture passage and Lord's Prayer. The theme hymn was sung. Mrs. Thompson extended a welcome and roll call was answered with an Easter verse of scripture. Roll call for next month is to be something pertaining to "Mother." Two thank you's were read from Grant Hagerman and Mrs. Ellen Donald.

Mrs. Vene Hagerman presided over the programme. Mrs. Ern Broadworth read the Scripture lesson. Mrs. Hagerman offered prayer. Mrs. Evelyn Sine gave the Meditation. A hymn was sung. Mrs. Lorne Hagerman and Mrs. Mel Wickens gave readings. Mrs. Ed Colleen sang "Alone". Mrs. Tom Clements then presented a chapter of the study book entitled, "The Church". Mrs. J. B. Hagerman thanked the hostess and all those who helped with the programme. The meeting closed with a hymn and Benediction.

Mount Pleasant Messengers

The Easter meeting of Mount Pleasant Messengers was held Saturday evening, April 16th at the Church Hall with 36 children, 16 ladies and the three leaders, Mrs. Raymond McConnell, Mrs. Garth Joslin and Mrs. David Potts in attendance.

Linda Potts provided quiet music. A lovely Easter lily, the gift of the Stirling Horticultural Society was used as the central decoration.

Several Easter hymns were used throughout the service. Lorraine Jeffs welcomed the ladies to this special meeting.

Linda Hoard gave a vocal solo with Jeannette Hoard as accompanist. Randy Scott contributed harmonica music. Two piano duets were rendered by Bonnie Williams and Debby Graff and by Janet Scott and Janet Spencer. Happy birthday was sung for the April Messengers, David Graff and David Jeffs.

Jeannette Hoard gave a piano solo. The offering was gathered by Joan Jeffs and Debby Graff.

The tiny tots took part in a colourful Easter parade with Isabel Hoard as leader and she carried a lovely live white bunny in a cage.

Mrs. David Potts conducted a religious skit on Easter with several children taking various parts in the story, "Jesus at the Tomb."

The recreation centred around a hunt for Easter eggs. Refreshments were served and the children received special gifts of confectionery.

Mrs. Robert H. Hoard voiced appreciative thanks to the leaders and Messenger group on behalf of the ladies in attendance and Bonnie Williams replied.

Are You An Average Driver?

Average motorists are frequently distributed, even outraged, by the actions of reckless drivers who are an obvious hazard on the highways.

They call for strict laws, harsher penalties and tougher driving tests to remove dangerous drivers from the roads.

What many average drivers do not realize is that they, too, may be hazards on the highway.

According to the Ontario Department of Transport, by far the largest number of fatal accidents involve average motorists — with years of accident-free driving behind them.

Because of this, the message of traffic safety must reach the average motorist, and make an impression on him.

One way the Department of Transport has chosen to convey this message is through regional Road Safety Workshops, such as the one which attracted more than 800 to Kingston recently.

This was the eleventh of a series of regional conferences held by the department. They have already been held in Toronto, London, Port Arthur, Sudbury, Ottawa, Windsor, Sault Ste. Marie and Niagara Falls.

At the Kingston conference, the Hon. Irwin Haskett told delegates that the greatest need in the drive to reduce accidents was for each individual to ensure that his behaviour on the highway, either on foot or behind

the wheel, reduces the possibility of an accident situation developing.

Community leaders from every section of Eastern Ontario heard the message. They took home the responsibility of spreading it as widely as possible.

But safety is not their exclusive preserve, as they themselves would be quick to point out. It is the responsibility of every citizen.

Let us not make the comfortable mistake of thinking that the highway hazard is just one man in a crowd. If we really want to cut down on the accident rate, if we really want to make our roads safer, we have to do more than point at somebody else. We have to cultivate an attitude of safety, consciously and deliberately, in our own driving and walking.

Consult Doctor

Far distant lands are now only hours away from Canada and it is possible for a traveller to come in contact with many kinds of diseases, which could show no diseases until after he has reached home. Before leaving home for other continents, your travel agent and your doctor should be consulted as to what vaccination is advisable for the areas you will visit and for your protection.

with only 37 seconds left when Eldon Grey scored the winner.

Gerry Conway and Lafontaine scored first period goals for the Clippers with Grey and Solmes replying for the locals. Lafontaine scored early in the second from a scramble near the Elaine goal. Milt Cashman and Nels Denard increased the lead to 5-2 before Grey cut the margin on a neat passing play with McConnell and Doug Potts.

Leading 5-3 going into the final twenty minutes, Odessa came out strong and scored after only 13 seconds of play with Gerow hitting the twine. Barry Dafeo and Aylesworth swapped goals, making the score 7-4 with less than ten minutes remaining and then, Glen Ross roared to life and hurled a continuous bombardment of rubber at Compeau. Doug Potts scored at 11:25, McConnell at 13:42, from a scramble, and Solmes knotted the count at 15:00. Grey scored the winner at 19:23 breaking through the Odessa defence and neatly tucking the puck behind Compeau. Solmes clinched the win 14 seconds later on a breakaway.

Larry Marshall and Conway highlighted the third period in a brief fight when Conway piled into the small Elaine rearguard and Marshall came back swinging. Marshall also literally knocked Tom Cashman sailing with a hefty bodycheck late in the final period. Hearn, Dobson, Dave and Doug Potts also dished out several stiff jolts at the blueline. Doug Potts starred defensively and engineered several stirring rushes playing nearly 50 minutes of hockey. Eldon Grey, Dale Benson, Dafeo, McConnell and Solmes added the offensive power. Bob Smith and Bob Taylor shared the netminding chores.
